

## Hopkins Pool Entry Procedure Announcement

May 31, 2023

Until further notice, entry to Hopkins Pool will only be accessible from the south parking lot (main entrance, near the flagpole entrance). When parking in the north parking lot (playground side), please follow the terrace or park path to the south entrance. There will be a line forming outside of the building. Lines will not form inside Hopkins Community Center. Outside the facility will be barricades and signs identifying the line for Hopkins Pool Daily Admission Entry.

Season Pass Holders can enter Hopkins Pool through the pool's south-side gated entrance (fast pass lane). A sign and tent will be present to identify the Season Pass entryway.

Those purchasing Daily Admission Entry will be required to wait in the line forming outside. When it is your turn to see the cashier, you will be greeted by a staff member, and she/he/they will identify which cashier will assist you with your transaction.

To enter Hopkins Pool, you must be at least 16 years old with a valid ID. IDs are collected when purchasing a daily fee. You can retrieve your ID from the cashier when you exit for the day. If you are under the age of 16, you must be accompanied by an adult at least 18 years of age or older. The adult (18 years of age or older) will be required to complete the paperwork identifying those she/he/she is responsible for. The adult **MUST** always remain at the pool. If the adult leaves Hopkins Pool, they must take those they registered with. Those under the age of 16 are not allowed to be unsupervised at the pool. Paperwork must be completed each time an adult purchases daily fees and signs in individuals under the age of 16. Adults between the ages of 18-20 can register up to 4 individuals under the age of 16, and adults ages 21+ can register up to 6 individuals under the age of 16.

If you are a Season Pass Holder and choose to leave throughout your visit, you must take your Season Pass with you, as you will need to rescan your pass upon reentry. To exit the facility, you must exit through the locker rooms. Season pass holders can reenter through the fast pass lane (south side gated entry).

If you purchased a Daily Admission and choose to leave throughout your visit, you must get your hand stamped by one of the cashiers when exiting. To exit the facility, you must exit through the locker rooms. Upon reentry, you will be required to wait in the outside line at the south entrance. When reentering staff will ensure those who are under the age of 16 are accompanied by the adult who originally registered them. Once again, those under 16 must always be accompanied by an adult 18 years of age or older.
